### Central Will Shine

Central will shine tonight  
Central will shine,  
She'll shine in beauty bright  
All down the line.  
Won't we look neat tonight  
Dressed up so fine?  
When the sun goes down  
And the moon goes up,  
Central will shine.

### We Want a Touchdown

We want a Touchdown,  
Hear 'em sing—  
We want a touchdown,  
That's the thing.  
Just let some great big bruiser,  
husky and tall,  
Carry the ball—in no time  
at all—  
We'll have a touchdown.  
When it's over, let us hear  
you make some noise,  
C-E-N-T-R-A-L  
Let's have a touchdown, boys.

### P.H.S. Loyalty Song

Here's to thee, Maroon and Black,  
Thy banners herald victory,  
Fling them outward, ever upward  
For Peoria High!  
Loyalty, we now are bringing—  
Thousands strong we sing thy praise;  
Thy sons and daughters gather here  
To cheer for high school days.  
For the knowledge we are gaining  
Gratefully we strive for thee.  
Thou hast set a goal for us—  
We seek it earnestly.  
Here's to thee, Peoria High!  
Forever we will work for thee;  
In honor and in love we pledge  
Our highest loyalty.

## *Juniors Like Being Upper-Classmen*

"At last we are upper-classmen!" was the refrain which echoed joyfully throughout the class of 1956 early in the fall.

Our freshman year was eventful. Everyone was happy over the success of our homecoming stunt with the circus theme. To the last man, we pitched enthusiastically into our school's affairs.

The next year, we thought that we were quite grown up as sophomores. Together, we continued to achieve recognition. Our stunt show that year was "High Nine".

In September of 1954, we entered P.H.S. for our third year. The hard work on our third stunt show, "Snow-White", was rewarded by great acclaim. Another big event came when we chose our class rings. In the spring, we sponsored the Junior Prom very successfully.

As we venture forth into our last year at Peoria High, we hope to fulfill our dreams.

### *Explore New Interests*

Two long, yet short years the class of 1957 has spent at Peoria High. As we watched this year's crop of newcomers, we all agreed that it's good to be sophomores.

Our freshman year was spent in getting to know our school and its inhabitants, both faculty and students. We were sure that P.H.S. was "tops".

Last November, we portrayed "Alice in Wonderland" for our stunt show. When we were selected as the winners, our joy knew no bounds.

As sophomores, most of us were occupied with two new subjects, geometry and biology. In the latter, a few wizards were honored with the title, "Doctor of Frogology".

Now we are moving on. We sincerely hope that our last two years in these halls of learning will be as happy as the first.

## *Freshmen Adjust to P.H.S.*

Last fall we entered P.H.S.—four hundred strong. As we became better acquainted with our numerous fellow classmates, the lost feeling that had arrived with us vanished. Of course, we were quick to take advantage of bargains, especially the inexpensive elevator tickets.

We were surprised to see the many new lockers established for our benefit. At first, we had trouble remembering our combinations over the week-ends. Often we found ourselves on top of the lockers, or were greeted by a "stacked" collection of books. Time passed, and we became "old-timers" at P.H.S.

In November, we turned Roman for our homecoming stunt which was very well received.

Now at the end of our year, we are older and wiser. May our future as the class of 1958 be bright!

## Committee of Forty Plans Our Social Activities

The Committee of Forty has done a superb job in backing the sports events and many other activities of the school. Some of their many accomplishments for this year are: "The Saying of the Week," the Identification cards, and several dances with new bands. Their sponsor, Mr. O'Toole, does a good job in keeping the committee on its toes.

*Dear Jack, you are a great guy (I mean really great) with a friendly smile for all. Really make your last year count -  
Love always!  
Bon*

FRED KOWALSKE  
President of Key Club

Key Club has been very busy this year living up to its name, that of a service club. The "up" and "down" signs on the stairs are sporting a new coat of paint, compliments of Key Club. All the programs and the bonfire for Homecoming were given by this organization. The Key Club members played Santa to many needy children by ringing bells by the Salvation Army kettles. Key Club spent a great deal of time polishing all the school trophies and moving them into the new case. In other words Key Club proves daily that it follows its motto, "We Build."

Miss Peterson, and Mrs. Eldal. Much of the work in Cue Club, including writing, acting, directing, and all the other things necessary to make a play a hit, is done by the students themselves. Cue Club gives good training to those interested in dramatics.

## Stage Crew

When an outstanding performance is presented on the stage of Peoria High School, few people stop to think about the men behind the scenes. When the lighting is perfect, the scenery is in place, and the curtains are drawn at the right time, everyone should stop and consider the fact that a group known as the Stage Crew is responsible for this.

## *Sr. National Honor Society*

These Seniors are chosen by the faculty on the basis of four things: scholarship, leadership, service, and character. Scholastically, they are in the upper third of their class. Leadership includes holding successfully offices and positions of responsibility. Service consists of the placing of school above personal interests. Last is character, which means high standards of honesty and reliability, a good citizenship record, and co-operation regarding school regulations. Miss Wood, Mrs. Herke, and Mr. Wolpert are the able advisers. It is indeed an honor to be a member of this exclusive group.

The percentages are determined by the students' grades in their first three semesters in high school. Eighty loyal students of Peoria High make up the band. They spend one hour of each school day under the direction of Mr. Stoskopf, who came to Central from the Fort Sheridan Army Band. Our Band plays for home football and basketball games and pep meetings, thus helping to spur our teams to victory.

Intense practice by the ensemble pays off in contests.

On the football field the marching and formations of the band add a great deal of color and school spirit to the games. On many occasions the band is asked to march in civic parades. In the spring of the year the band presents an annual concert for the public. Whatever the occasion, the band proudly and capably represents Peoria High.

The Band Cabinet holds meetings to discuss future band activities.

The Band's formations and marching add to the half-time entertainment at the football games.

We are all very glad that this organization has returned to Peoria High School after a year's absence.

The Orchestra ensemble participates in many contests.

Senior Class Play tickets went fast in Mr. Van Deventer's room.

During lunch hours before an important event you will find members of the ticket committee very much in demand. They always seem to be able to find at least one more ticket for that very important occasion. The ticket committee handles the business end of all plays, games, and social events with ease and fairness. This body of hard working students do much for our school.

The ticket booth is a busy place at lunch hours.

## *Highest Goal In Music*

A Cappella has many traditions, including the singing of Christmas Carols through the halls and participating in the Musical Extravaganza. This year in the Extravaganza they sang songs pertaining to the Easter season.

Under the direction of Miss Poshard, A Cappella Choir deserves a prominent place in our review of the past year.

## *Boys' Choir Performs In New Robes*

If you had been in or near Miss Poshard's room any day during first hour, you probably would have heard the sound of boys' voices blending in almost perfect harmony. This was Boys' Choir. This year a number of Junior boys practiced many hours to bring beautiful music not only to Peoria High School, but to various other organizations in Peoria.

The meetings consist of many diversified things having to do with music. Each year at Christmas time a special program is planned bringing out the religious aspects of Christ-

mas. This year for the first time an organ recital was held in the school's auditorium. An unusual feature of this program was the fact that six members of Workshop participated. At the end of each year special class recitals are held.

## *Spanish Club Brings Mexico and Spain to P. H. S.*

Each month when Spanish Club meets, an air of Mexico or Spain prevails. This feeling is brought about by observing traditional Spanish customs and by showing slides and movies of these countries. At one meeting this year an especially interesting program was presented about bullfighting, Mexico's national sport. Along with their own meetings

Peoria High School's Spanish Club takes trips to other schools in the city and state for parties and conventions.

The Spanish Club of Peoria High School is a member of the Illinois Federation of Pan-American Leagues. The enthusiastic and energetic sponsor of the group is Miss Campen.

## Football

Overwhelming ten of its eleven opponents and tying the other, Central's grid squad under the direction of Coach Juska captured the City, Greater Peoria, and Big Twelve championships. After grinding out victories from their eight dual-meet opponents, the Central Cross Country team progressed to the District and Big 12 tournaments from which they emerged as champions. Also the City and Greater Peoria titles, based on team records, were awarded to this highly successful team.

Defeated in their attempt to achieve the

goal of every team, the State Championship, the Lions were awarded eighth place for their efforts in the state meet at Champaign.

Central, for the first time in Big 12 history, amassed a total of four individual medals out of a possible ten. 1954 brought a most successful season for Coach Deal and this team.

For girls interested in sports, G.A.A. offers many hours of enjoyment. This organization, composed of girls from all four classes, meets after school every Tuesday and Thursday to participate in such sports as archery, fieldball, and basketball. Encouraging friendly competition and good teamwork, tournaments serve as a means for making new friends and offer an opportunity to become skilled in major and minor sports.

Throughout the year these girls add to their fun by giving parties and other social

events. On their social calendar for this year were the Freshman Reception, Christmas party, Parents' Banquet, and Spring Picnic. Members of the Girls' Athletic Association were guests at Limestone for the annual Spring Play Day in April.

Credit in points is given to girls for their participation in organized sports. Awards are given according to the number of points earned. This year the highest award, a state emblem, was presented to six seniors by the advisors, Miss Masocco and Mrs. Blair.

# "WHAT CONSTITUTES BEING A GOOD CITIZEN?"

*How would you answer this question? It came from an eighth grade student as a part of a class citizenship project.*

## HERE'S THE WAY A CATERPILLAR EXECUTIVE ANSWERED IT:

"To describe a good citizen in a few words is most difficult—much like trying to describe our great country in a few words. However, some qualifications of a good citizen certainly would be:

- A fundamental belief in God.
- A deep sense of honesty and integrity.
- Moral character above reproach—the result of personal convictions rather than fear of public opinion.
- An interest in one's community coupled with a willingness to work long and hard for its betterment.
- A true sense of value, recognizing that

there is no such thing as something for nothing. Everything we achieve, everything we get, must be earned.

- A love of the freedoms guaranteed by our Constitution and Bill of Rights, and a willingness to protect these freedoms.
- A desire to search for and find the truth and not be swayed by the emotions of others.
- A sense of duty when it comes to exercising our great American privilege of voting, based on thoughtful consideration of the issue or office involved—and the same sense of duty when jury, military or public office responsibilities should be met.

It is difficult indeed to describe citizenship in a few words. I hope these thoughts will be helpful."
